ROSEBANK

LOWLAND SINGLE MALT
SCOTCH WHISKY

The third and final edition in Rosebank's first global series of legacy releases is a crescendo in our renowned distillery's rich, fruity, and floral house style - a worthy celebration of the revival of our irrepressible spirit!

We specially selected this peerless single malt whisky to mark the re-emergence of Rosebank Distillery after more than 30 years. It's a significant milestone on our restoration journey since we 'broke ground' in 2019. We've lovingly restored the original crumbling stonework of the Falkirk-based distillery at its original location. We've painstakingly mirrored the tried and tested methods of the founding whisky makers, breathing life back into the esteemed Scottish distillery and positively contributing to our local community.

ROSEBANK 32

Rich and complex yet elegant and balanced, this 32 Year Old offers sweet aromas of pineapple and candied ginger mingling with lemon and marzipan with hints of white pepper and café latte. The mouthfeel is velvety with good body and hints of malt, thyme, butterscotch, tropical fruits, drying oak and softly warming spice. A soft and long finish has notes of lemon, honeyed porridge and toasted walnut.

The final in our global series of legacy releases, this whisky perfectly exemplifies the qualities that earned Rosebank reverence as the 'King of the Lowlands'.
