▶ THE KURAYOSHI JAPANESE WHISKY SINGLE MALT

43° / 70 CL

The Kurayoshi Single Malt is the pure embodiment of Kurayoshi Distillery's craftsmanship. Comprising malt whiskies from the Kurayoshi Distillery, this Single Malt is aged in ex-bourbon casks for over 3 years.

From the first sip, a delightful burst of fruitiness is revealed, with flavors of ripe apricots and citrus dancing on the palate.

Fresh spring water from Mount Daisen is used to bring the whisky to the right proof. The gentle warmth of oak and a touch of honey add depth and complexity.

Non chill filtered
